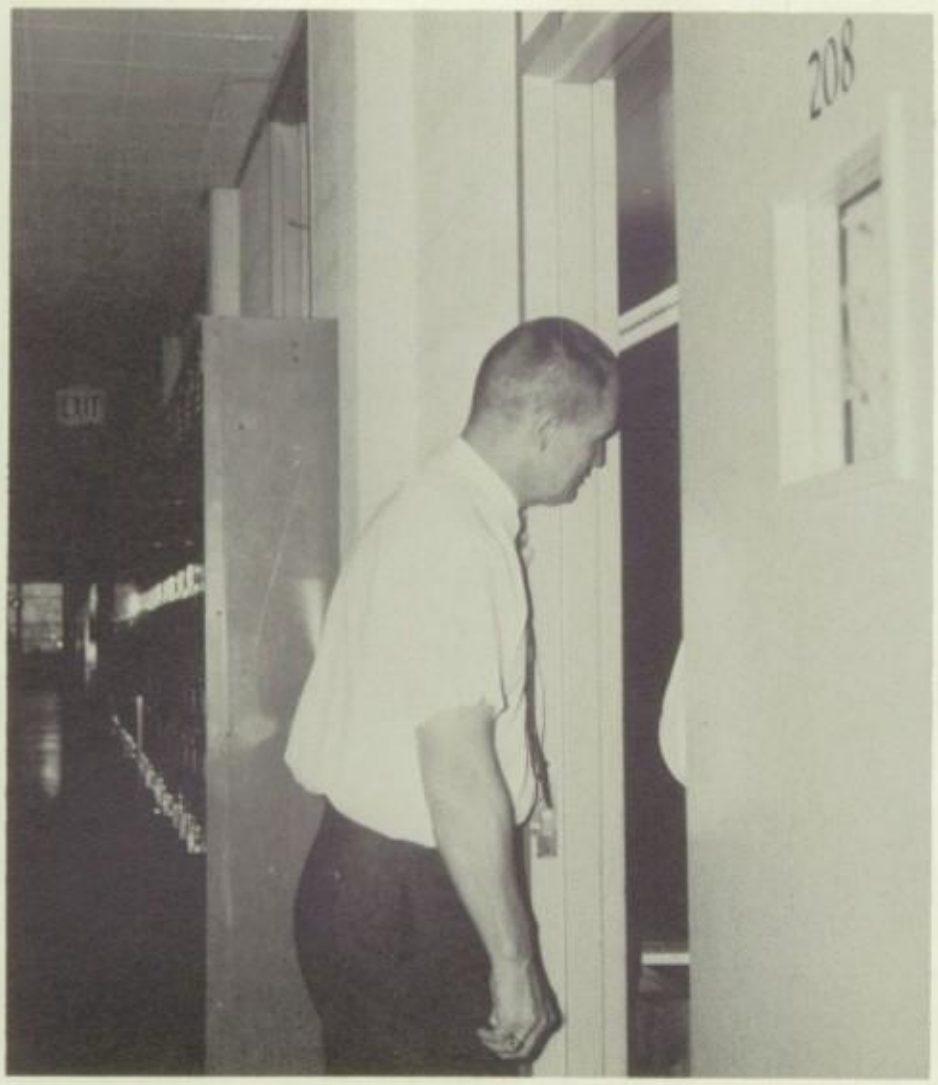
Mr. James A. Adkins



1969 Westerner Dedicated to a Man With an Image

Westwood's assistant principal has given twenty-one years of his life to public education. It is fitting therefore that the annual staff dedicate the 1969 Westerner to Mr. J. A. Adkins, an image of education.

Mr. Adkins began teaching in Arkansas in 1947. He has served as teacher, coach, and administrator since then. He has been associated with the Shelby County School System for ten years. Beginning as head football coach at Millington High, he later moved to Brownsville Road Elementary School and eventually to Westwood High School as assistant principal.

He received a B.S. degree from Arkansas State College, an M.A. from Memphis State University, and is now taking courses applicable to an advanced degree at Memphis State. Also, he played football at Ole Miss and Arkansas State and was an officer in the Air Force during the Korean War.

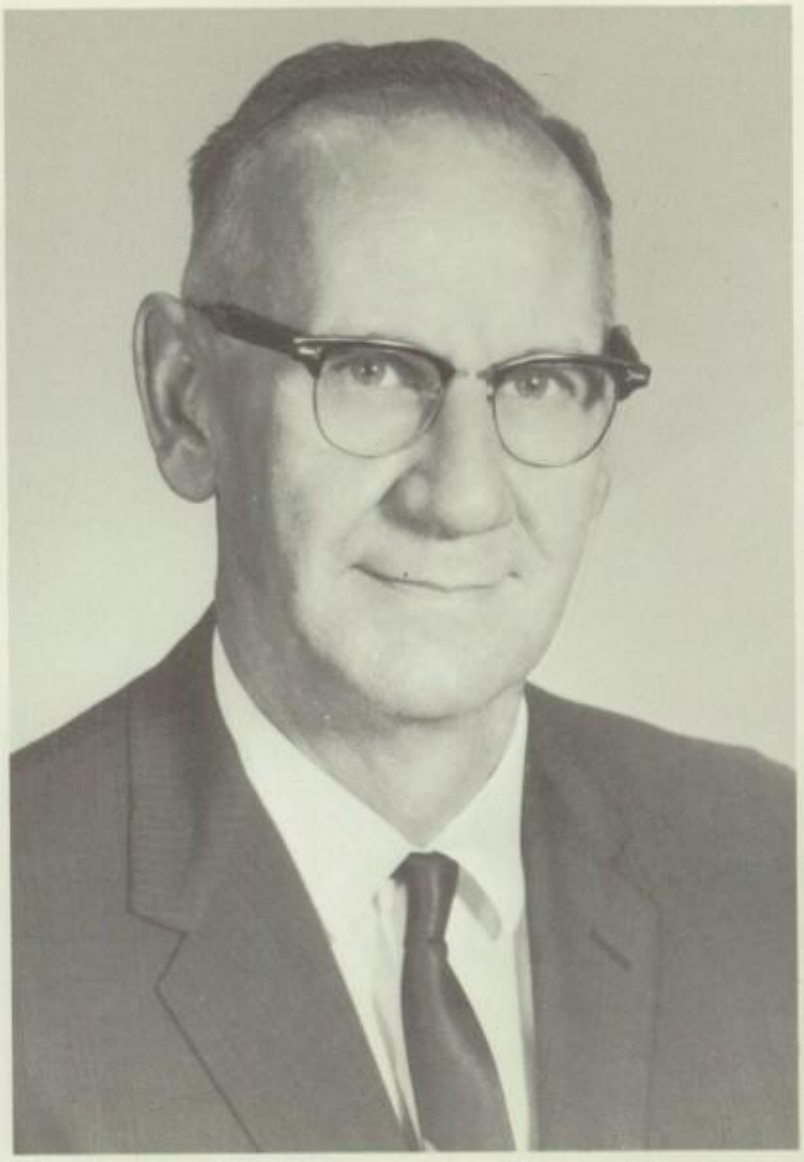
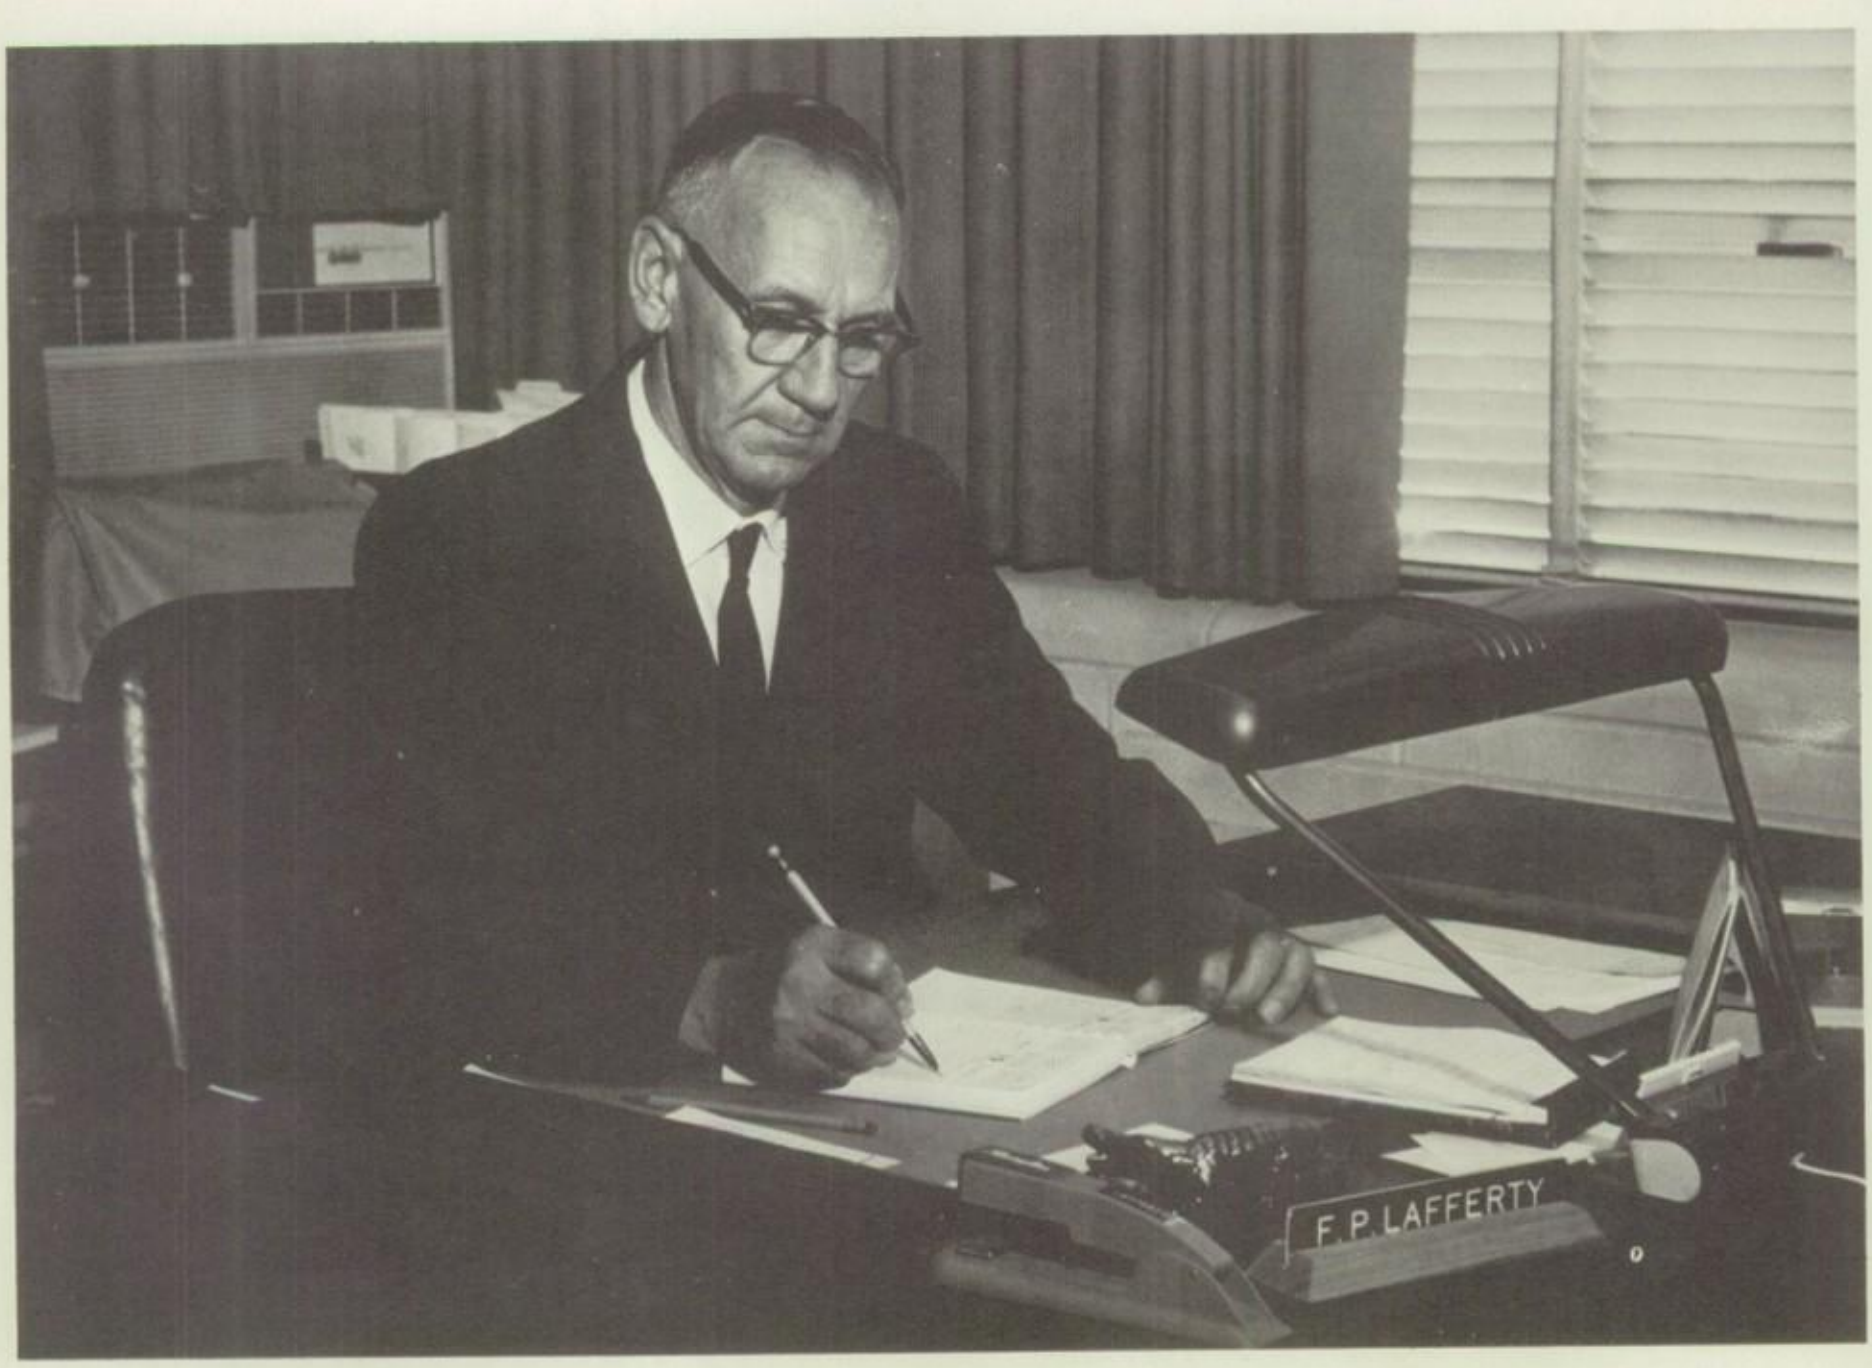
Mr. Lafferty Completes Third Year as Principal



Mr. Forrest P. Lafferty has held a position at Westwood for the past ten years. These positions have included being a teacher, guidance counselor, assistant principal, and for the past three years, our principal.

It is his desire, as of any principal to be a personal friend and counselor to each individual student, and teacher. Even though it is sometimes a lonely job when decisions must be made and administered, he constantly has the school's interests at heart.



Mr. Lafferty makes sure that Mr. Ferguson, the principal of Germantown, pays for his program.

Pressing administrative duties require a pause to relax and refresh.

A large high school requires constant maintenance to keep it functioning.

Office Staff Helps Keep Up With All the Westerners

"AND SEEM TO WALK ON WINGS,
AND TREAD ON AIR" - HOMER

The responsibility of keeping up with the students for record purposes and keeping up with the school's business lies with the office staff in the principal's office and the assistant principal's office. Westwood uses two full time secretaries, a full time teacher's aid, and one part-time secretary. They keep tabs on attendance, finances, records, and students.

Guidance Counselors Guide Students in Making Decisions

"FROM LISTENING COMES WISDOM AND FROM SPEAKING REPENTANCE" --ITALIAN PROVERB

Westwood's counselors are trained to help students with their school problems and personal problems. The counselors aid many students in making decisions about their present and future. They also play a large role in scheduling students, teachers, and classes into a workable program.

"SCIENCE HAS LEFT MAN A COMPLEX SYSTEM OF PROTOPLASM, BUT THE HUMANITIES WILL MAKE HIM HUMAN AGAIN" --ANONYMOUS

Man's struggle to know himself has lead him to develop what he calls the humanities. These are the arts, the real man. In an age where science and technology threaten to dehumanize man and reduce him to quantity, the humanities seeks to give man quality. In an age where life seems devoid of meaning the humanities seek to give it purpose.

Mathematics and Science Departments Test Students' Ability to Reason

"HE WHO HAS IMAGINATION WITHOUT LEARNING HAS WINGS BUT NO FEET." --JOUBERT

Mathematics is something a person confronts every day of his life. No matter what the chosen path or vocation, one needs a concept of numbers to function in modern society. Mathematics is a science of numbers, dimensions, and reasoning to be used whether one plans to purchase a small item or build a space vehicle. Science is man's attempt to comprehend the physical universe. It takes one from the infinitesimal world of nucleons, through the world of primitive unicellular life forms and through the more complex multicellular forms of life to furthermost reaches of space.

Industrial Arts helps prepare creative young men for the technological world of today. Mechanical drawing teaches skills of drawing and blueprint reading. Shop courses acquaint students with tools and the use of them. No matter what one plans in the future, a knowledge of mechanical principles is essential.

Business courses aid young people in preparing themselves for the business world. From typewriters to duplicators, business leaders of tomorrow learn the skills today.

Social Studies Teach the American Way of Life

"GOVERNMENT IS A CONTRIVANCE OF HUMAN WISDOM TO PROVIDE FOR HUMAN WANTS."
--BURKE

The past comes alive and the present becomes more meaningful when students venture into a study of our society. History examines our forefathers and the crucial tasks they faced to find some of the why's, where's, when's, and how's of present day problems. Students also may examine the economic structure of our society in Economics. Sociology takes a look at some of the problems confronting society today - for example, urban life, crime, etc.

The Library Stresses Reading for Pleasure and for Learning

"READING IS TO THE MIND, WHAT EXERCISE IS TO THE BODY." --ADDISON - "THE TATLER"

Reading is essential. Reading expands the mind and improves the person as a whole. It aids students in their studies or it sheds a new light of understanding on the world's problems. Westwood's library contains some of the finest reading material. This includes magazines, newspapers, reference books, records, dictionaries, biographies, and a variety of fictional works. A whole new world is opened before those chosen few who enter its doors.

Student Council Works to Improve Our School

The representative body of the students in Westwood High is the Student Council. It discusses issues that concern the students and through meetings of home room representatives, it is able to present these issues to the class sponsors. By doing this, many problems are solved and Westwood students gain experience in representative type government.

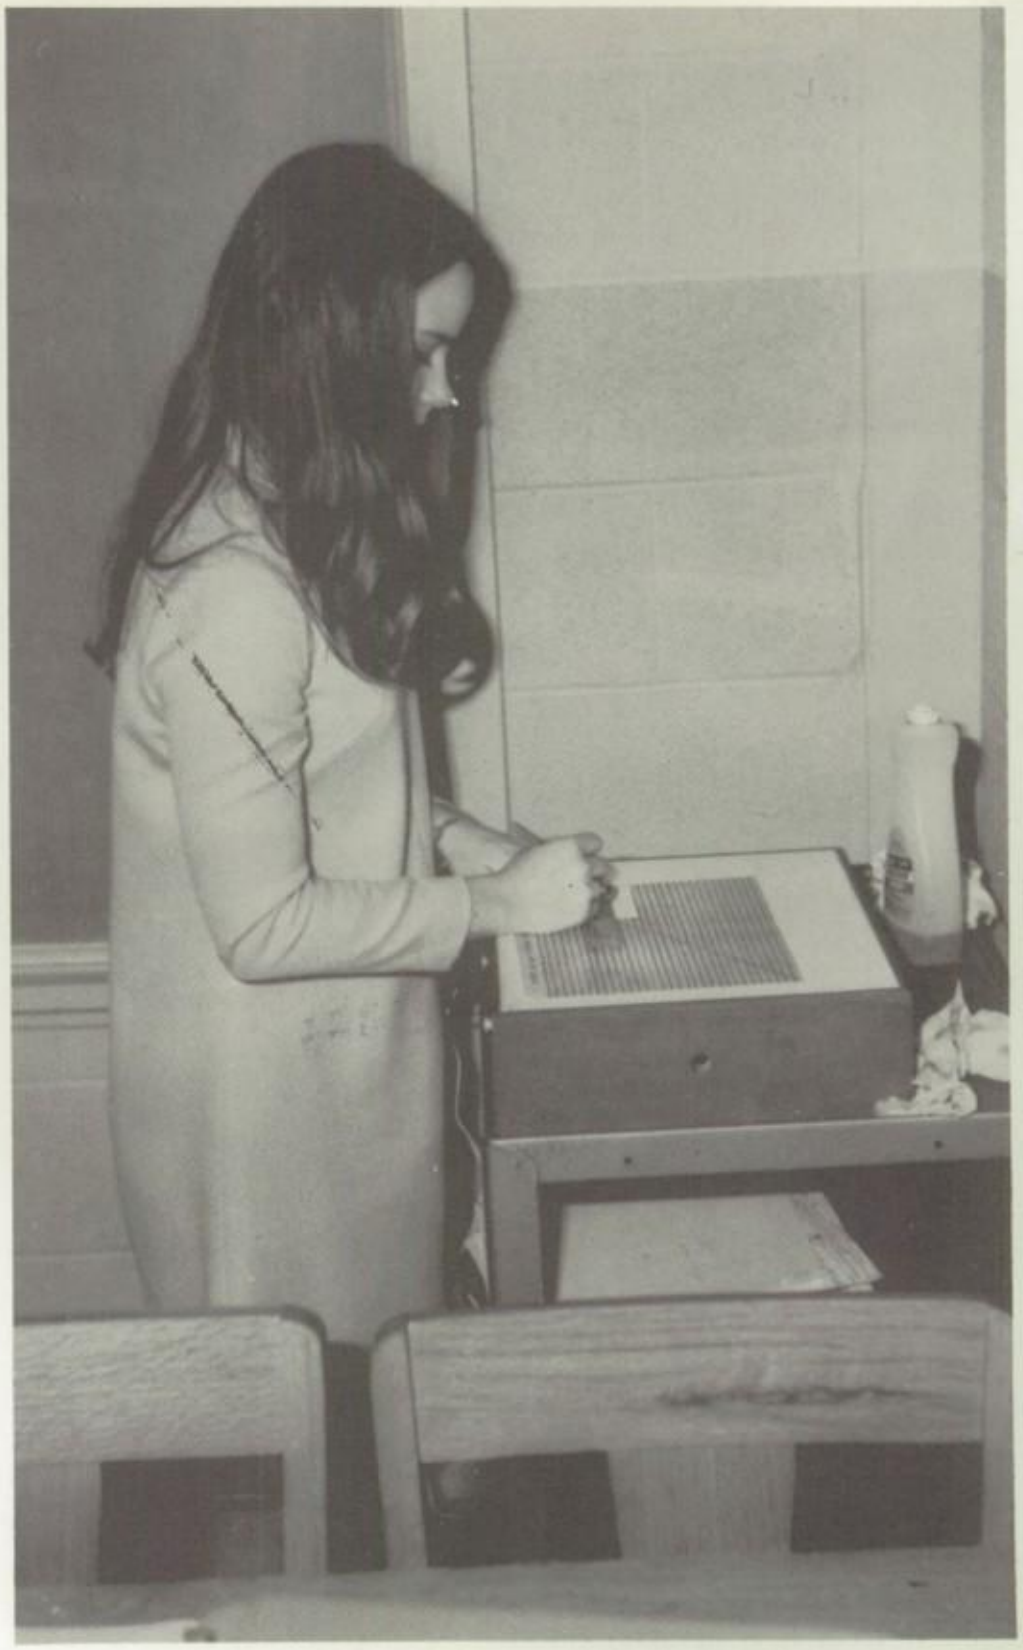
"This Is the Year That Was" Recorded by 68-69 Annual Staff

When a person looks at the finished product, it is difficult to imagine how much planning and work has gone into an annual. The 1968-1969 annual staff sifted through hundreds of pictures and picked approximately 500 which best told the story of this year at Westwood. After the pictures were selected, layouts were planned, captions written, write-ups composed, headlines written, pictures cropped, and final copy prepared. Every page had to be drawn up three times - once on a dummy sheet, once on a rough draft, and once on the final copy sheet. Every picture had to be cropped to proper proportion. Thus with great pride, the annual staff presents The 1969 Westerner to you.



Assistant Editor Sandy Fowinkle crops one of the many pictures that make up the annual.

THE MONOGRAM CLUB

Monogram Club Emphasizes School and Sportsmanship

The Monogram Club is sponsored by the Athletic Department and its members include the athletes of Westwood High. Each year, it sponsors a number of activities and money-raising projects for new athletic equipment and uniforms. It consists of the young men of Westwood who have earned a letter in sports.

Art becomes a hobby for some, a profession for others, but is recognized by all as an object of interest. Whether for fun or profit, members of the Art Club are busy throughout the year with pet projects. One of which is the construction and painting of scenery for the school play. Art exhibits are presented at irregular intervals by individual students throughout the year.

Senior Future Homemakers of America

F.H.A. installs new officers.

The Senior Future Homemakers of America emphasize the qualities necessary for the homemakers of tomorrow. As its emblem pictures, the homes of tomorrow are in the hands of today's young women.

Each Christmas in conjunction with the F.T.A., the Senior Future Homemakers gives a tea for the Westwood teachers. Here girls display qualities which make them the perfect hostess.

Math Club Adds Up to More Than Just Work

The world of today is a world of symbols. Math Club helps prepare students for a world of science and technology. Students who have a strong interest in Math find the Math Club a rewarding experience. In addition to the academic nature of the club, the year's program included several social gatherings.

Latin Club Conquers the World

The Latin Club is composed of students who are enrolled in Latin or have been enrolled in the past and share a common interest in the pertuation of ideals from Roman culture. Each year students participate in the West Tennessee Latin Examinations at Memphis State University Each year, Westwood has made a significant showing. The club also has a Latin Banquet. Students dress in the latest Roman fashions to participate in one of the most colorful events of the year.

V.O.E. Teaches Secretarial Skills

The informative field of V.O.E. acquaints the students with office machines, shorthand, typing, and other business skills. They are also taught the essentials of being an efficient, neat, and well-groomed secretary. This training prepares students for the jump into the business world. They become competent and necessary individuals to a businessman and his work.

Future Business Leaders of America Prepare for a World of the Future

The Westwood Chapter of F.B.L.A. is a member of a national organization. The purpose of the club is to develop competent, aggressive business leadership and create more interest and understanding in the intelligent choice of business occupations. To become a member of the F.B.L.A. a student is required to be enrolled in or have completed two commercial subjects.

Mrs. Owens, F.B.L.A. Sponsor, looks pleased as club members gain experience in conducting club business.

Future Teachers Work With Today's Student

The Future Teachers of America strive toward their goal with zest and vigor. Some are able to experience a taste of what teaching is all about when they aid the elementary teachers for one hour during their study hall. Each spring new members are inducted in a very formal service. Members must represent the finest qualities.

The Future Teachers of America in cooperation with the Senior F.H.A. gives a tea for the Westwood faculty members each Christmas.

Senior Y-Teens Gives Girls a Chance to Participate in Many and Varied School Activities

Senior Y-Teens is an affiliate of the Y.W.C.A. The Westwood group sponsors the Powderpuff Derby, Girl's Volleyball, and Girl's Basketball. This year Girl's Volleyball teams and Girl's Basketball teams from Westwood competed with teams from other schools in a league composed of Y-Teen teams. In addition, the Senior Y-Teens participates in a number of charity drives. The group works under the leadership of Miss Carol Maynard.

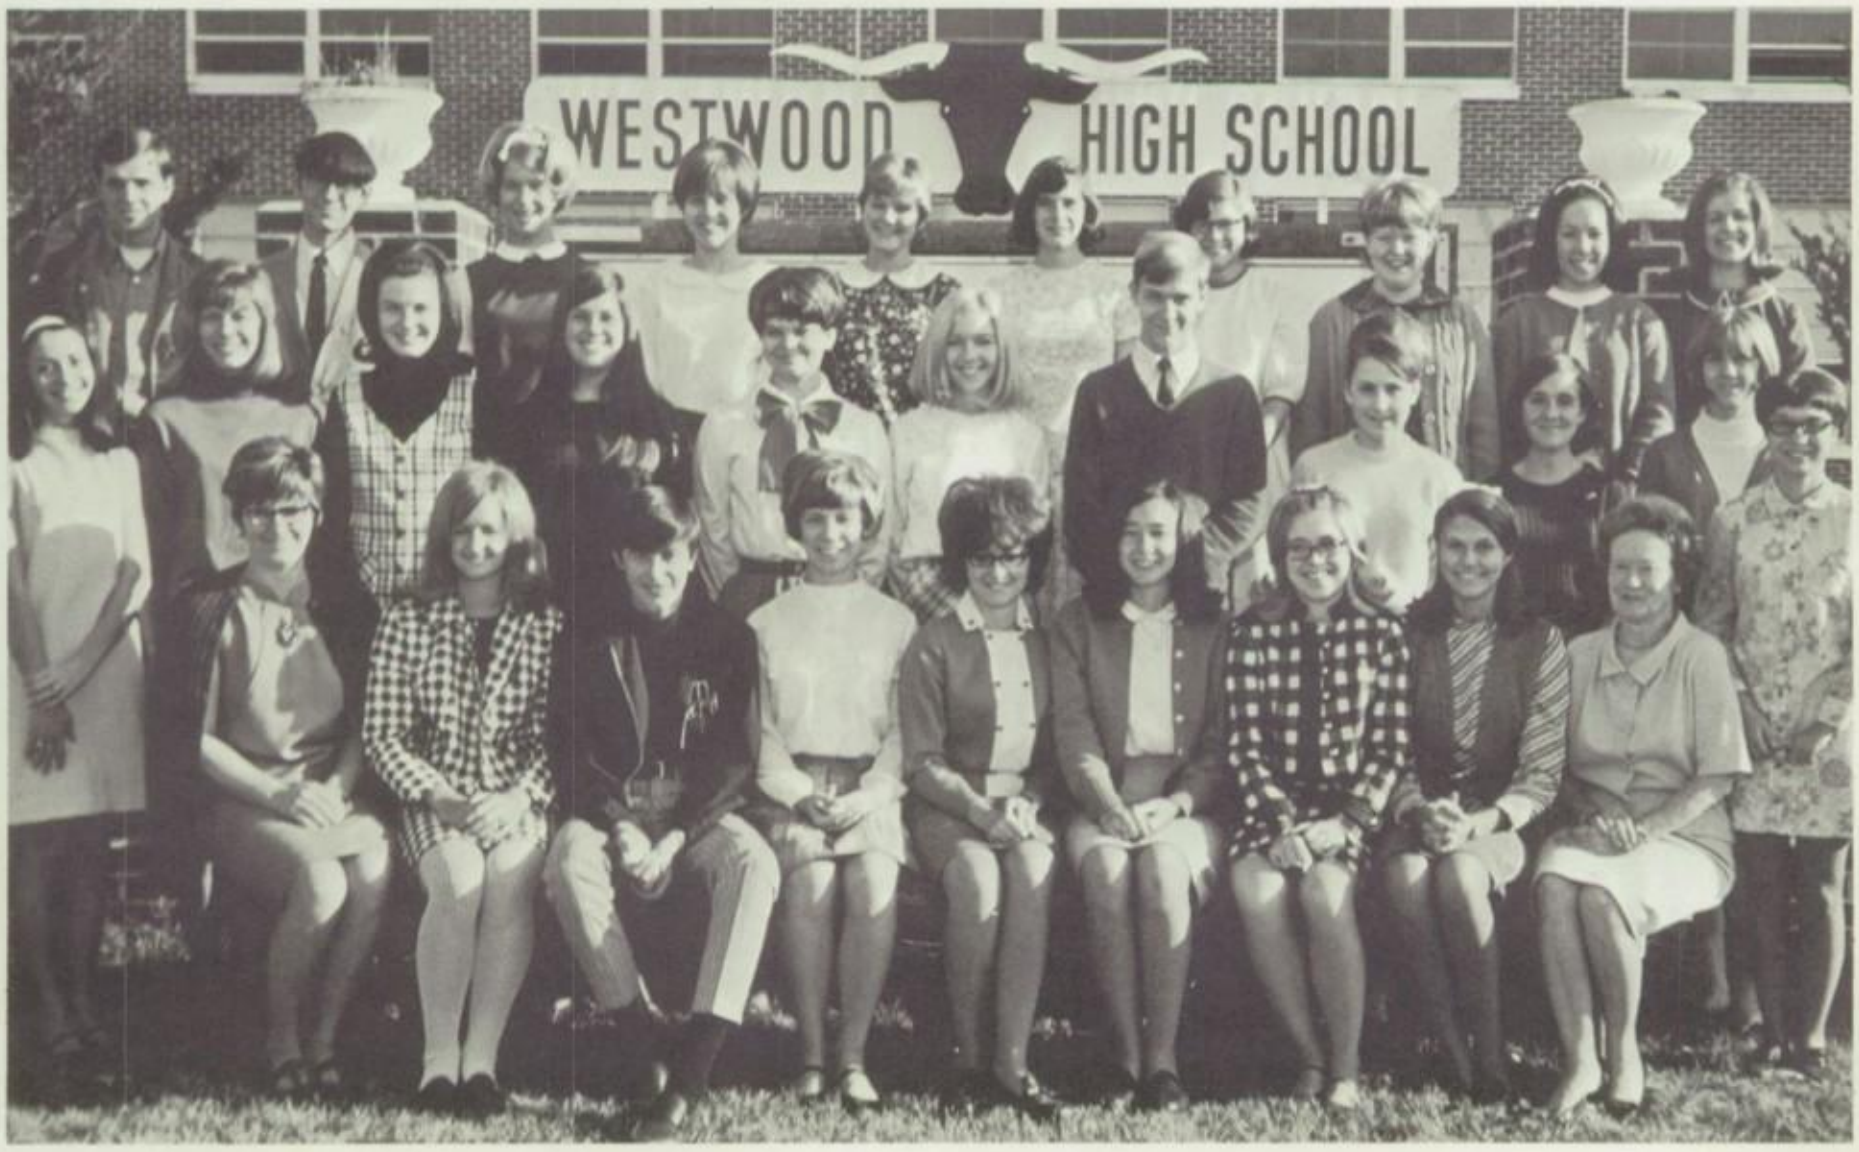
Library Club Compliments a Growing Library

The caverns of knowledge center around the library. Students are guided by school librarians to the correct usage and proper care of the library. This enables the student assistants to aid more students in research or reading for pleasure.



Mrs. Harrington and Miss Harris, school librarians, proudly display the many students who compose the Library Club and render assistance in the library.

Spur and Saddle Enters Fourth Year

The Spur and Saddle is the junior high newspaper. Having begun four years ago to give the junior high students experience in writing and an opportunity to do something for their school, the paper has grown in volume and circulation until it is one of the outstanding features of Westwood school. Mrs. Edge has sponsored the paper for two years.

Pep Club Works to Make Fightin' Westerner Spirit Grow and Go

The Senior High Pep Club is Westwood's largest as well as newest club. Students who felt that school spirit was wanning joined together to do something about it. The result was the Pep Club Members participate at games by constituting a cheering section. The club also has charge of Homecoming Football and Basketball Festivities.

Homecoming ceremonies were sponsored by the Pep Club.

Varsity Cheerleaders Set the Pace

The backbone of the pep section is readily recognized as the Varsity Cheerleaders. They host a number of cheers to lead our team to victory. They represent the school through long hours of practice and lead cheers at football and basketball games. While most students are vacationing in the summer the cheerleaders spend time preparing for the coming year by visiting cheerleading clinic at Ole Miss.

Frosh Cheerleaders Cheer Teams to Victory

Freshman cheerleaders work hard and look toward the day when they may achieve the rank of Varsity Cheerleader. The girls spend many afternoons after school to become skilled in the proper execution of cheers. They lead cheers at all the freshman football and basketball games. This year they divided into two teams and led the cheers at the Faculty-Booster's Club Basketball Game.

1968 Football Westerners

The 1968 Football team fought proudly under a new coach this season. The team seems to have found something this year that was lacking in the previous years. Following the fine example of Coach McMillin, the mighty Westerners traveled with high regard throughout the county. In many of the games, the statistics did not agree with the final score as one should expect.
